## NDT RANKING REPORTS AND UPDATES

This is the second of two official NDT Rankings Reports for the 2011-12 year. Each report includes overall rankings (based on the top two teams from a school at eight tournaments), varsity rankings (based on the top two senior division teams from a school at eight tournaments), community college rankings (using overall points), and rankings by region (using overall points). The last page of this report explains how points are calculated. Teams earn points even if they are not members of the NDT, however only members are ranked in this final report.

In addition to the NDT Reports, Jon Brushke updates the NDT points as well as all results from college policy debate tournaments on a regular basis at his web page. You can access the pages at [www.debateresults.com](http://www.debateresults.com)

You can see an online version of these rankings and how NDT points are counted at: <http://www.whitman.edu/debate/ndt/>

## SETUP YOUR TOURNAMENT

Setup your Tournament at [www.debateresults.com](http://www.debateresults.com)

You are strongly encourage to use the **CAT** (Bruschke Edwards Larson) available at <http://www.debateresults.com/>

## SEND RESULTS TO JON BRUSCHKE

Send results when your tournament is completed to Jon Bruschke at [jbruschke@Exchange.FULLERTON.EDU](mailto:jbruschke@Exchange.FULLERTON.EDU)  
Instructions on how to do this are at: [www.debateresults.com](http://www.debateresults.com) (look in the lower left hand side of the page)

Jon inputs the file into his database and that puts the results on the web page and in this report. It creates an always up-to-date list of who is competing at the tournament, rankings of teams, NDT bid sheets, CEDA and NDT sweepstakes points, and a lot of useful and very interesting statistics. It also automatically sends calendar information to the AFA and CEDA.

# NDT RANKING PROCEDURE

**I. The ranking system will report the standing of all NDT programs in December and all NDT subscribing programs April each year. A three-tiered system will be employed:**

- (a) Ranking on a national basis for overall squad performance and for varsity level competition;
- (b) Ranking by districts using overall squad performance;
- (c) Ranking of junior college programs using overall squad performance.

Additionally, in the spring, the Report shall include a ranking of “Movers” (teams with the most overall points increase comparing the previous year’s points to the current year) and of “New Schools” (based on overall performance, this is for teams who did not earn points in the previous fall and who have earned at least 32 or more overall points).

**II. Rankings will be based on a point system according to the following items:**

- (a) Only results from tournament divisions with six or more teams per division from three or more schools with at least 4 preliminary rounds that debate the NDT topic will count towards the ranking;
- (b) The results of a school’s two best teams in any qualifying division of a tournament will count toward the overall rankings. The varsity rankings will only count the best two teams in varsity division;
- (c) The results of a school’s best performance at a maximum of eight tournaments will count towards the rankings;
- (d) Only teams who are in the upper half of teams in the first elimination round may count that round’s points for rankings;
- (e) If the tab room director(s) are from one school only, then elimination rounds of teams from that school will not count toward the rankings (you must have two schools represented as tab directors to have all elimination points counted);
- (f) Lincoln-Douglas results or rounds in which a debater debated without a colleague or with a colleague from another school will not count toward the rankings;
- (g) If the elimination rounds of a tournament are interrupted by extenuating circumstances, the points remaining to be earned will be evenly distributed to the remaining participants, rounded to the nearest whole number;
- (h) Hybrids do not count for points unless recognized by the NDT Committee for ranking points;
- (i) Breakout rounds (where the teams with the best records do not advance to elims) do not count for points.

**III. Points are allocated as follows**
